POSTAL SCANDAL STILL IN COURT

Erwin Explains Why He Recommended the Time Devices.

Richardson Receives Four Thousand Dollars and a Block of Stock.

Another day will conclude the judicial investigation by United States Court Commissioner through the Federal Postoffice inspectors. The case of the Postal Service is being investigated by the Federal Postoffice inspectors. The case of the Postal Service is being investigated by the Federal Postoffice inspectors.

The witness of Mr. Erwin's examination was the establishment of the following facts: That David A. Richardson, agent and president of the Postal Service, was the author of the scheme to install time devices in the Postoffice buildings in Washington. Richardson was the author of the scheme to install time devices in the Postoffice buildings in Washington.

Richardson was the author of the scheme to install time devices in the Postoffice buildings in Washington. Richardson was the author of the scheme to install time devices in the Postoffice buildings in Washington.

A NEW LAW!

VERY IMPORTANT FOR THE STATE OF CALIFORNIA.

The State of California authorizes Mr. George Mayerle, the German Expert Optician at 1073 Market Street, to practice Optometry and prescribe glasses to those having weak eyes and poor sight.

Mr. GEORGE MAYERLE has probably prescribed glasses to more prominent men of the world than any other optician in this country. The fact that the highest U. S. Army, Navy and Government officials and most eminent clergymen, judges and educators of California are using his glasses should be sufficient evidence of his wonderful ability to treat most complicated cases with accuracy and absolute perfection.

EXAMINATION OF EYES FREE.

Mr. Mayerle has the honor to announce that he has been authorized by the United States Government to examine the eyes of all persons who are in the United States. He has been authorized by the United States Government to examine the eyes of all persons who are in the United States.
