FINE SPORT AT UNION PARK

A better day for coursing and a finer. lot of hares could not have been chosen.

A better day for coursing and a finer lot of hares could not have been chosen. The warm sunshine brought many hundreds to the park and betting was brisk. The hares and hounds were also invigorated by the beautiful weather and ran with dash and vigor.

The talent had things all their own way during the afternoon's running, suffering very few upsets. Royal Buck contributed one by defeating Minneapolis at odds of 4 to 1. Lady Blanche beat Right Bower at 2 to 1 and Jester gained a flag over Mira Monte at the same odds.

In the consolation stake the most disastrous upset to the talent occurred when Terrona succumbed to Sweet Lips at odds of 3 to 1. Mystery created a small surprise by heating Precita. In the course between Terrona and Sweet Lips at odds of 3 to 1. Mystery created a small surprise by heating Precita. In the course between Terrona and Sweet Lips the former showed a great burst of speed to the hare, but the prey turned back to Sweet Lips, who quickly erased the advantage gained and killed, winning a somewhat fluky course.

Old Skyball's defeat of Vanity Fair brought joy to the shortenders as the odds offered were 5 to 2.

Following is the way the dogs ran:
Open stake: Second round-Pembroke kennel's Sylvanus beat B. & S. kennel's Brandy and Soda; E. V. Suilivan's Faise Flatterer beat Curtis & Son's Miller's Maid; Al F. ### AT INGLESIDE.

Perfect weather and one of the best cards ever run off in the park drew to Ingleside yesterday the largest crowd that has passed through the year. Gladiator proved himself the champion. Flying Buck was the hot favorite in the long odds book and he lasted through to the final. But Gladiator was then too much for him. At first they ran an "undecided." But on the second attempt Gladiator ran away from the Buck. It was a day of hot sport. None warmer was ever seen on any park in America. Minerva annexed the non-winner stake and Minerva was begging at 30 to 1 when the game began.

It was also a day for the short enders.

Hobson started the ball rolling by sinking the Eastern crack, Ida, who ruled over him at 3 to 2. Tom Bell put out the 2-to-5 favorite Rapid; Victor beat the 5-to-3 favorite Rosalie; Innisfallen was despised at 4 to 1, but was an awfully good "1" against Sky Queen; Tullamore

despised at 4 to 1, but was an awfully good "I" against Sky Queen; Tullamore sold short at 2 to 1 against Clipper, yet won; Swinnerton did the same trick with Koolawn, and the others were Prince Hal beat Hotstuff (5 to 3); Gillt Edge beat Sarcastic (3 to 1); Victor beat Dakota (5 to 3); Monitor beat Sylvia (3 to 1); Victor beat Glen Chioe (6 to 3); Monitor beat Sylvia (3 to 1); Victor beat Glen Chioe (5 to 3); All Sylvia (5 to 1); Victor beat Glen Chioe (6 to 3); Monitor beat Sylvia (3 to 1); Victor beat Liberty Bell (2 to 1); Haddiwist beat Marian (5 to 2); and Flying Buck sold over Gladiator at 5 to 3 in the final.

Victor was the disastrous factor from the talent's standpoint during the day. In his every course he sold on the short end yet he landed in second place to Minerva. Minerva's victory, too, was a surprise to the knowing ones. She is only a puppy, yet she trotted right through the older ranks in a manner that stamped her of very high class.

The running in detail was as follows:
Non-winner stake—D. Dowst's Sarcastic beat Derby Kennei's Fireball; F. Murphy's Gilt Edge beat J. Donnell's Las Palmas; J. Baddely's Hobson beat Handy & Smith's Ida; D. Flynn's Tom Bell beat J. several enjoyable hours serious casualties occurred at the Park to mar the enjoyment of the day.

Peter Lustauman was out on his wheel and collided with a passing vehicle, the result being that he was painfully injured. He was taken to the Park Hospital, where his injuries, which consisted of a bruised nose and shoulder and a lacerated face, were dressed, after which he wheeled away in search of more pleasure.

Several enjoyable hours distribution and also credit of the recent victories to the God of war and nations. He said that inasmuch as the present war was declared for humanity's sake and not for conquest, and as the people with whom we went to war are an ignorant people who would not or could not submit to arbitration or diplomacy, it was God's will that we should go to war, and it being his will we were bound to win.

God in his wisdom gave us President and last but not least Lieutenant Hobson. At the mention of each of those names rounds of applause greeted them.

I feats of the little brown men are little short of marvelous, and they may remain as an attraction for several weeks.

The aquatic sports at Sutro's Baths have proved the best drawing card as far as the soldiers are concerned. A large crowd vis.ted the baths and witnessed the lowering of at least one swimming record. In the under-water swimming match Fred McDermid, champion under-water swimmer of Australia, swam 212 feet, the entire length of the big tank. Paul Newman of Chicago has heretofore claimed the record, having swum 208 feet, but he will now have to try again. In the high diving match A. Ramons was declared winner and G. La Rue was awarded second prize.

A. Bodie of the Montana Volunteers won the 100-yard handleap, J. Melrose of the Kansas regiment second. In the spring board diving, S. Burnett won; A. Raymond second. J. Ringrose won the 120-yard handleap; S. La Coste second.

"Decadent and Rising Nations—America and Spain Contrasted," was the subject of Rev. John Hemphill's sermon at Calvary Presbyterian Church last evening. The services were well attended and the music was of the usual standard.

Referring to the twenty-second verse of the same chapter—"A little one shall become a thousand and a small one a strong nation"—the speaker said that this is briefly the history of America. He showed at length that the growth and advancement of our nation is borne out by Isalah's prophesies and that Isalah could not have given us the historical facts of Spain and America more correctly than he has done. The speaker also referred in glowing terms to the victories achieved by the army and navy at Santiago. The criticism that Shafter has been subjected to he did not consider well put, for the general met with many obstacles that are not generally known, and while he lost but several hundred men he captured 25,000 Spanlards.
