There were twenty-one baptisms in the Christian church Monday night, and still the good work goes on. Many sinners who have not joined the church will join other churches soon.
—In going through the Sierra Nevada mountains we came to a place called Cape Horn, where the trail led us built in a crevice in the walls of the precipice, and hundreds of feet below the American River can be seen, a mass of foam.
In building this part of the road the workmen were hit down from above with ropes and haws swinging over the precipice while cutting the roadway. By getting
