THE CHOLERA MICROBE

The cholera microbe is a small, rod-shaped organism which is the cause of the disease. It is very contagious and can be spread by water, food, and direct contact with the infected person.

SWINNEN'S LATEST POEM

Swinnen's latest poem is a collection of verses that deal with various aspects of life and nature. The poems are written in a simple, direct style that is easy to read and understand.

MONEY IS NOT SCARCE

That's what Principal Merrill of the Copwell School says. He says that money is not scarce because there are many ways to earn it, and that it is important to have it in order to live a comfortable life.

MET AFTER MANY DAYS

Met after many days, the two friends who had been separated for a long time. They met in a quiet, secluded spot and talked for hours, catching up on all the news of their lives.

MR. MONTGOMERY DEAD

Mr. Montgomery, a well-known figure in the community, has passed away. He was a man of great character and a devoted family man. His death is a great loss to the community.

THE SUPERIOR FROM THE THIRD WARD

The Superior from the Third Ward, a group of citizens who are concerned about the state of their neighborhood. They are working to improve the area and make it a better place to live.

MR. COLLETT'S SYMPATHY

Mr. Collett's sympathy for the poor and needy. He is a man of great compassion and is always ready to help those in need. His actions are a true example of what it means to be a good citizen.
