

14

SAN FRANCISCO CHRONICLE, SATURDAY, DECEMBER 30, 1893.

IN LEeward LAND.

An Account of a Visit to the United States of America in 1892.

BY DR. FELIX L. OSWALD.

CHAPTER IV.

A hundred years ago the United States of America, according to tradition, had not yet been discovered by the white man. The legend of the discovery of the continent by Columbus is still in vogue, but the actual discovery of the continent is a matter of fact. The continent was discovered by the white man in 1492, and the continent was discovered by the white man in 1492.

CHAPTER V.

The continent of America was discovered by the white man in 1492, and the continent was discovered by the white man in 1492. The continent was discovered by the white man in 1492, and the continent was discovered by the white man in 1492.

CHAPTER VI.

The continent of America was discovered by the white man in 1492, and the continent was discovered by the white man in 1492. The continent was discovered by the white man in 1492, and the continent was discovered by the white man in 1492.

CHAPTER VII.
