MYSTIC MUSH.

A MELANCHOLY GATHERING DISCUSSES SPOOKS, ETC.

The Interest in Humbuggery Falling Off—A Queer Gang and How They Conducted Themselves—They Decide to Hold Their Next Meeting "Just to the Rear of Horace Bell."

A band of melancholy cranks are holding fortnightly meetings in this city, for the purpose of delving into the occult mysteries of the unfathomable, in order to try and discover why Nature made them cranks, and not sensible bipeds or useful quadrupeds.

These people conduct their spiritual mining operations under the name of the Mystic Society—an appropriate name, because it sounds big and means nothing. Since its inception, three or four weeks ago, it has held several meetings in Odd Fellows' Hall. A handbill gives the following information:

"The favorable conditions on the Pacific Coast for psychic development exceed even its physical advantages, and it is but a question of time when California will become a center of mystic activity. At this early day, however, the difficulty of keeping up a sustained interest in these subjects is very great. For this reason mystics of every class, metaphysicians, spiritualists, theosophists, etc., are all invited to aid the efforts of the Mystics in this direction; and ...
