**THE LAST PENNY**  
The Judge Denounces the "Odious and Cruel System."

The spectacle of a hundred and eighteen judgment sentences doled out to a crowd of men and women, who were crowded into the court, was a sight to be remembered. The judge, in his address, denounced the "odious and cruel system" of the law, and called for a more humane and just system.

**A FAMOUS SWIMMER**  
Though 77 Years of Age he Recently Swam 31 Miles

Captain Jack Williams, champion swimmer of the world in 1902, is in Canada. Williams, who was 77 in April, recently distinguished himself by swimming 31 miles from Athens, Illinois, to St. Louis, Missouri, in 10 days, 14 hours and 15 minutes. He was accompanied by a small boat with a motor and a crew of four men.

**BASEBALL IN ENGLAND**  
Not Likely to Become Popular Until Children Take It Up

England will have organized baseball in 1912 with major and minor leagues. The plan of Charles King, president of the London City League, and Newton Cross, an ex-American player, is to introduce the game to the English people. King, an Englishman, has never seen a game until 1906, in the leading sport in the movement. He played for three seasons and spent six months in the United States, where he was elected president of the London League.

**THE WRIGHT GLIDER**  
A Description of the Machine That Soars Like a Bird.

From experiments of the Wright brothers it would appear that the secret of flying does not embody the true secret of human flight. The glider, built by the Wright brothers, is a machine that soars like a bird. It is a simple machine, with no engine, no propeller, and no wings. It is a machine that can be operated by a single person, and it can be used for a variety of purposes.

**THE BISHOP OF LONDON DENOUNCES**  
The Bishop of London has again come to the front with a vigorous attack upon the "odious and cruel system" of the law. He has called for a more humane and just system, and has urged the government to take action.
