

SURO AND THE BEACH SCHEME

In the Fight Against the Railroad the Fight Against the Railroad

HE ASKS FOR A FRANCHISE.

An application for franchises to extend a railroad from the coast to the interior of the State is being made to the State Board of Railroad Commissioners. The applicant is the Surro & Beach Company, which has secured the franchises for the proposed line.

The proposed line will start at San Francisco and run eastward to the coast, then southward to the interior. It will pass through the cities of Alameda, San Jose, and Redwood City, and will terminate at a point on the coast near the city of San Francisco.

The proposed line will be a double-track line, and will be operated by the Surro & Beach Company. The proposed line will be a great improvement to the existing transportation facilities in the State, and will be a great benefit to the people of the State.

DANGERS OF SEALERS.

A Tale of Disaster on the Coast of Japan.

The danger to the coast of Japan is being increased by the sealers who are operating there. The sealers are catching seals, and are selling the seal products to the Japanese people.

The sealers are catching seals in the waters off the coast of Japan. They are using large boats, and are using many seals.
