SILKS, LACES, GLOVES and WASH GOODS TO-MORROW

Prices Here as Nowhere Else.

EVERY business day furnishes new and conclusive evidence that Hale Bros. can, and do, underbid all competitors on this Pacific Coast. We are buying for seven lively retail stores—and one more. We are buying immense quantities for spot cash—not on credit—and we sell for spot cash at lowest living prices. Compare our goods and prices with those of others.

Crowds Here as Nowhere Else.

WE are called the busiest store in Frisco. Everybody who comes here says so, and, as an occasional proof, we have been compelled to close our doors temporarily because we couldn't wait on the people, we begin to think ourselves that we are busy folks. Come before 11 o'clock to avoid the greatest crush and get the best attention.

Styles Here as Nowhere Else.

New styles, and a great variety of them, our business is so large that old-style goods don't have a chance to accumulate on our shelves. Our business is so large that we buy goods in case lots, so many cases of this, so many of that. That means variety of patterns, styles, quality, variety and low price are the features of our goods.

Remnants Here as Nowhere Else.

WE've got many remnants of all sorts of goods (thousands) and thousands of them remaining from our great sale of the City of Paris (Los Angeles) stock, that we are actually going to devote four days to disposing of this, so many of that. That means variety of patterns, styles, quality, variety and low price are the features of our goods.
