ASKS RULING ON **ISLANDS' STATUS**

New York Attorney-General Wants to Know if the Philippines Are in the United States.

ALBANY (N. Y.), June 28.—Deputy Attorney-General Graham appeared before Justice Fitts in the Supreme before Justice Fitts in the Supreme Court to-day and asked the Court to determine whether the Philippine islants were a part of the United States within the meaning of the insurance law of the State or Territory which makes it compulsory for foreign insurance companies to make a deposit with the State Superintendent of Insurance of this State for the professional states of the state of the profession.

with the State Superintendent of Insurance of this State for the protection of their policy holders in the United States.

The Baloiz Insurance Company of Switzerland wishes to withdraw its deposit of \$200,000 from this State on the ground that it has ceased to write hosternees in the continuated United the ground that it has ceased to write insurance in the continental United States, but Superintendent Kelsey of the State Insurance Department has refused to permit such withdrawal, as the company is still doing business in the Philippine islands. The Supreme Court of the United States held that the Philippines are not a foreign courtry within the meaning of certain court. try within the meaning of certain of the United States statutes, and thu one united States statutes, and that they are not within the United States within certain other provisions of law, but the State courts have not passed on this question as applied to the statutes of this State.

BRING SUIT FOR MILLION DOLLARS

Fresno Newspaper Man Seeks to Recover Property Deeded Away by Grandfather.

LOS ANGELES, June 23.—In the hope of proving title to and gaining possession of \$1,000,000 worth of real and personal property in Los Angeles, Chiengo, Catalina Island, Kern, Pincer and Shasta counties, Frank D. Haddock, formerly a Fresno newspaper man, and Mrs. Sarah Haddock Witsett, his siter, have brought a sensational suit in the Superior Court of this county against their step-grand-mother, Mrs. Cynthia Willett Haddock, widow of the late millionaire, Charles G. Inddock of Chicago.

Frank Haddock and Mrs. Whitsett allege that after the death of his thrat wife (their grandmother) Charles Haddock fell into the snares of Chicago spirit mediums, who, under the guise of "the directing hand," told him to deed away \$1,000,000 worth of city and urban property and personal effects.

The defendants to the suit deny flatiy the charges, and gainsay the blood relationship of the plaintiffs to the dead millionaire. LOS ANGELES, June 23.-In the hor

OPEN TO-DAY

Marks Another Step in the Return to Normal Conditions.

The Cliff House will open its doors to the public to-day for the first time dince April 18th, and the event will be halled as another step toward the re-turn of normal conditions in San Francisco. The Cliff House has re-mained closed until the present time largely for the reason that the normal awarm of sightseers and pleasure seekers that lent a festive air to the clift and beach resorts when the lighthearted city knew no woo and suffering has been conspiciously absent since the confingration.

since the confingration.

In the meanthme Manager Wilkins has made a few needed repairs. One of the wild tales that spread itself over the country shortly after the earthquake told how the Cliff House had been tumbled into the sea by the big quake. As a matter of fact the historic roadhouse suffered less than \$300 of damage. The damage was confined to a broken chimpey or two \$300 of damage. The carran-confined to a broken chimney or confined to a broken chimney or and some cracked plaster, and the Cliff Horse stands as firmly on its rock foundation to-day as the day it was built.

reopening of the resort for to-day with a full line of temperance device:

and unpressed of room.

CLIFF HOUSE TO

Auditor's office that M. M. Regensberger, who held most of the assignments of the city employes and, it was
claimed by several, had frauduently
signed their names to the assignments,
had died at his home of heart disease,
brought about by nervousness and
financial losses since the carthquake.

Horton claimed that he was anxious
to take the stand he did long ago but the
general complaint from the municipal
employes who were in the habit of assigning their warrants was so strong
that he postponed the action until the
troubles in his office became unbearable and he decided to start in the new
fiscar year without honoring assignments to money brokers.

His action, he claimed, was based
on decisions handed down by Supreme
Courts throughout the United States,
that an uncarned salary of a public
official is unassignable and the asfigurater is valid both in law and in official is unassignable and the as-signment is vold both in law and in equity as being against public policy.

All June assignments are to be honored by the Auditor, but after this month he will no longer act as a collector for the money brokers.

Dan Leary, who was in trouble with

Regensberger over an assignment and was dismissed from the Auditor's of-fice, has been reinstated.

OWNERS FORM TITLE CONCERN

Fourteen of the largest property owners in San Francisco incorporated Friday the Pacific Title Insurance Company, to establish titles to land under the land title act passed at the under the land title act passed at the late session of the Legislature and to insure titles to real estate. The incorporators are N. D. Rideout, Harry L. Tevis, Edward H. Clark, Frank G. Drum, James L. Flood, W. C. Van Fleet, Garret W. McEnerney, James D. Phelun, John S. Drum, James E. Walsh, William J. Dingee, Sidney M. Ehrman, Edward McGary, and George H. Mastlek. These parties have subscribed \$132,500, and other property where are to subscribe to the balance of the \$500,000 of capital stock. It is proposed by this company to perfect every title in San Francisco so that they will be as good as before the records were destroyed, and to insure the titles if the owners desire.

FINED FOR VIOLATING

FISH AND GAME LAWS. Violators of the fish and game laws were punished by heavy fines during the past week, and the Wardens he-lieve that substantial penalties of this character will lessen the number of offenders. Nels Wolfgang, a market fisherman, who has been operating a boat and net in the San Joaquin river, was fined \$200 for catching striped bass with a net of less than 7½-inch mesh. Ema & Co., A. Traphil and C. Dondero, wholesale fish dealers, were each fined 3150 for shipping striped bass of less than three pounds in weight outside of the State.

Arthur Carlo and Leonard Shirn, ar-rested for shooting doves in the closed season, were convicted and fined \$25

The veterans of the National Guard of California held their regular monthly meeting at the residence of Past Commander Myers, 1625 Post street, and received notice that they had re-covered insurance to the amount of \$5000 on the First Regiment Armory, where they were formerly located and which was destroyed by surance was in the London and Liver-pool and Globe, and was paid in full three weeks after the fire, for which a vote of thanks was tendered to the company by the veterans. Speeches were made by several of the members and the officers for the coming year were elected. Commander, John E. Klein, vice-commander, General John A. Koster, National Guard of California. nia; Adjutant, C. W. Radebold; Paymaster, O. Nolti,
