THE HOUSE THAT SUTRO MAY BUILD.

Prominent Architects Suggest Plans by Which the New Cliff House May Be a Thing of Beauty and a Joy Forever.

They Would Make the Place Famous Architecturally as Well as for the Sea.

WHAT DO YOU THINK OF THEM? Should the Castle on Telegraph Hill Be the Site of the New Cliff House?

All the city of San Francisco is interested in the question, What kind of a structure will Suptro erect on the ruins of the Cliff House?

When the bathhouse was erected, it was a great improvement to the cliff house with a great apartment, but the building had no architectural interest.

It is a question of the Cliff House, and the question is, what kind of a structure will Suptro erect on the ruins of the Cliff House?

WHAT THE ARCHITECTS SAY.

My suggestion for reconstructing the Cliff House would be a classic structure built on the ruins with rough masonry below and very light stone above.

There should be a colonnade from the basement to the roof, with a small row of columns, which would arrange the building in a grand manner.

There is no question as to the fact that the Cliff House is a thing of beauty and a joy forever.
