Don't speak angrily to a child. Don't kick a child when he is angry. Don't go back on the friends of your parents. Don't allow your friends to cheat you. Don't neglect a cough thinking it will cure itself. Thousands die of consumption by so doing. Don't forget for Europe's children. It is the only time required by any of our medicines. It is the only medicine known that positively cures consumption in its early stage. Sold by druggists.
