SOCIETY and NEWS of INTEREST to WOMEN

War to Hasten Wedding of Popular Girl of Smart Set
Miss Marie Hathaway to Become Bride of Douglas Short at Once if Country Calls Him

By LADY TEAZLE
WAR and rumors of war are the greatest of things in the younger set among the smart set. Miss Marie Hathaway has chosen June 1 as the date of her marriage to Douglas Short, and doubts that will be the date of the wedding, unless the nation is so quiet that she can get the wedding party together. She will take many of the other members of the smart set, though they stand ready to offer her services to the country if war is declared, and to that end it is very probable that her wedding will be postponed until after the war is over. Instead of waiting till the end of the war, she has decided to marry on June 1, and she has decided to do so in the event of war, and she has decided to do so in the event of peace. She has decided to do so in the event of war, and she has decided to do so in the event of peace.
