ANNOUNCEMENT

OF Southern Telephone-Electric Company Creates Great Excitement

In Sunday's newspapers all over the Western Coast and in the big papers of Denver, Salt Lake City and Butte, Montana, we made an announcement offering our clients and the public the first block of stock in the Southern Telephone-Electric Company at the ground floor, or charter member price, of \$25 per share. All day yesterday our office in San Francisco was besieged with callers and buyers of this stock. Telegraphic announcements from our branch offices in Los Angeles, Seattle, Spokane, Butte, Denver, Salt Lake City and Portland report many inquiries and large sales. A telegram from Los Angeles late yesterday afternoon announces the fact that the people of Los Angeles are prepared to buy the entire allotment offered at the ground floor price of \$25 per share. From the large number of inquiries pouring into our office by mail and telegraph, all from the vast amount of sales made in our San Francisco office yesterday, we feel sure that this allotment of stock will be re-subscribed very quickly.

We call your particular attention to the fact that there is not a single share of promotion stock in this Company, that there are no bonus and no preferred stock, and that every shareholder is an equal basis and that the stock is fully paid and forever non-assessable. Again we call your attention to the following board of Directors:

E. L. Swaine, General Manager of Home Telephone & Telegraph Company of Los Angeles, California.
 W. J. McHugh, Chief Installer and Sales Agent of the Kellogg Switch Board & Supply Company.
 N. P. Wilson, San Francisco, California.
 Ernest A. Ulin, Superintendent of Construction of the Home Telephone & Telegraph Company of Los Angeles, California.
 H. L. Edwards, Superintendent of the Contracting Department of the Home Telephone & Telegraph Company.
 F. J. Norris, Cashier Occidental Trust & Savings Bank of Los Angeles, California, and formerly auditor of the Home Telephone & Telegraph Company.
 J. N. O. Koch, Attorney, Los Angeles, California.
 Edgar A. Sharp, Attorney, Los Angeles, California.

We wish to emphasize the fact that Mr. Swaine has already resigned as general manager of the Home Telephone Company of Los Angeles in order to devote his entire time and energy to making a success of the Southern Telephone-Electric Company.

The present price of this stock is \$25 per share, and it can be bought for cash or on easy installments. If you have not already sent in your inquiry for prospectus and full information, do so to-day by filling out the coupon below, or better still, call at our nearest office and let us explain the plans of this Company in detail.
